

Notification Preferences

Accessing Notifications:

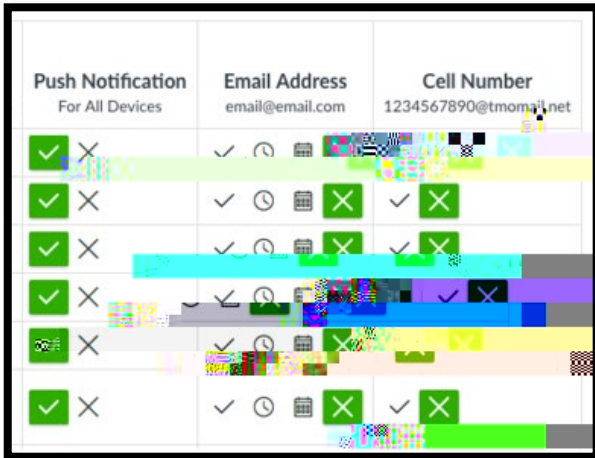

Click on the 'Notifications' icon.

Click on the 'Notifications' menu item.

Quick Set-up:

Click on the 'Quick Set-up' option. This will allow you to quickly set up your notification preferences. You can choose to receive notifications via push, email, or text.

Turn Notifications ON/OFF:

= Turn notifications ON.
 = Turn notifications OFF.

**You can simple switch announcements on or off.*

Detailed Set-up:

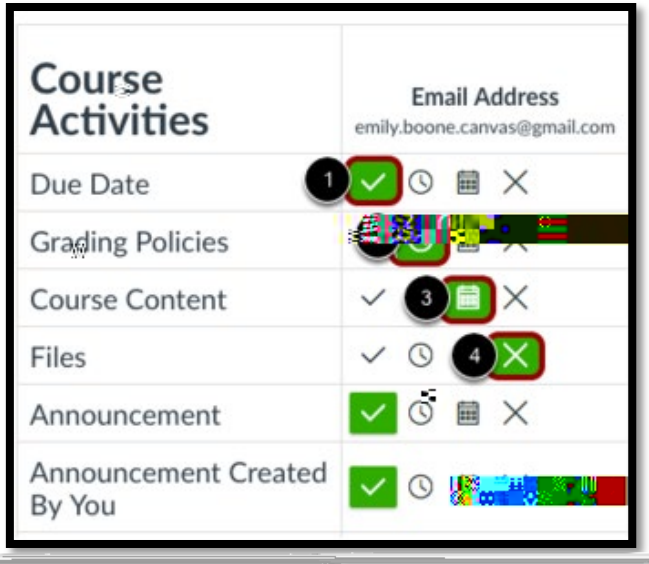

Click on the 'Detailed Set-up' option. This will allow you to customize your notification preferences for each type of notification.
