Chair's Announcements (Greene)

The out-of-state employment policy has been sent to Faculty Welfare.

We received a question from a faculty member about the use of mean/median salary raises. Parks will respond to the inquiry.

Unfinished Business

Compensation Identity update

- o Parks presented a draft compensation investment plan with different models to achieve 100% parity with the NCHEMS 51 peer group within five years
 - f Model options: All at once Three years at 6% Five years at 4.5%
 - f Uses assumption of 5% increase annually for peers
 - f Total with fringe, approximately 27 million to achieve peer median

DISCUSSION:

- o Potential impacts of faculty leaving or retiring and being replaced at lower salaries
- o Growth outlook for peers enrollment trends may lead to continued slow growth
- o Smaller peer group impacts staff comparison more than faculty as there are fewer matches for staff.
- o Calculations will be done annually to provide a snapshot of where we are with salaries each year.
- o Present all data with fringe factored in to give clearer picture of total cost
- o How to present to the BOT
 - f where salary investment fits into the bigger picture of University needs and priorities
 - f provide concrete examples of average starting salaries for faculty
 - x Clinefelter will investigate starting salaries at the community colleges for comparison
 - f Fischer will talk with Trustee Babbs about what would be helpful to present at the
