

How do your findings compare with the list of examples below?

NOTE: these examples are not listed in the order they occurred, but rather they are categorized by the type of deixis reference they represent. The list is not necessarily all inclusive either.

PERSON DEIXIS:

I, me
You-singular, you-plural
He/him, she/her
It
They/them
We/us
My audience

PLACE/SPATIAL DEIXIS:

Here, there
This, that, these, those

cross-linguistic strategies you intended? Are there things you would change? Where and why?

Step 7. Have a mentor or fellow interpreter conduct a review and provide feedback.

Step 8. Using your own assessment and the mentor or peer feedback you received, re-do your interpretation.

Repeat these steps with each of the texts, as well as others to which you have access. Regular attention to this process will strengthen your competence in this aspect of spatial structuring/voice interpreting.
