Express Scheduling

The screenshot shows a software interface with several key elements:

- More Actions:** A button with a downward arrow and the text "More Actions" is located in the upper left area of the interface.
- Event Status:** A dropdown menu is set to "Confirmed".
- Event Preferences:** A section with a downward arrow.
- Event Occurrences:** A table with columns for "Date", "Time", and "Location". One row is visible with the date "Thu, Mar 14 2024", time "12:00 pm", and location "1:00 pm".
- Annotations:** A red arrow points down to the "More Actions" button, and another red arrow points up to the "Event Occurrences" table.
